

### 15A Roland Avenue WAHROONGA NSW

4  2  2 

Your very own sanctuary of peace and privacy!

Nestled on over half an acre of land (approx. 2250m<sup>2</sup>) with established gardens and peaceful bushland, this brick home offers spacious accommodation - for a family looking for a quiet lifestyle at a very reasonable price for the area.

The home is of brick construction and offers 4 bedrooms + study, multiple living areas, plenty of storage, a large double garage and even a train room with the basic setup for a large model railway under the house.

The trees are alive with birdlife - relax on the back deck in the late afternoon and enjoy the parade of kookaburras, parrots, currawongs etc. as they flit from tree to tree. There's even a resident echidna living in the area who appears from time to time.

A great property in a quiet and beautiful location.
