Often sought after and rarely found this large 4 bedroom brick home sits on approximately 1138m² parcel of sunny level land. What an opportunity to renovate to former glory, knock down and rebuild your dream home on a perfect block or capitalize and develop the land into multiple blocks (strictly to council approval). The current home is in need of some attention but has the size for even the largest family with 4 bedrooms, 3 bathrooms, lounge/dining, family and rumpus rooms plus a separate granny flat, 5th bedroom or retreat. Add an in ground pool and the largest of double garages and a double carport and you have a home ready to renovate and capitalize on. Do not miss out on this large and rare holding in a prime level and convenient location. So much potential for future gain.
