On the high side stands tall this 4 bedroom original home with district views. With loads of potential the home features a bedroom and living area downstairs then 3 bedrooms, a lounge and dining off the galley kitchen upstairs. The living areas face the tree filled district view and the rear yard offers a covered deck and garden. The fan shaped block rises up from the street and is 695m2 approx. This blank canvas represents an opportunity for a renovator to come in and turn the home into their own.
